# Webinars – accessible learning on the go

Advocates enrolled on the Qualifications in Independent Advocacy and members of the Black Belt Advocacy Group are invited to register for webinar sessions.

Please note that there is no charge to access these sessions and you can register for an unlimited number of sessions.

Each webinar will last between 60 and 90 mins. The facilitator will take you through a guided session and then there will be chance for you to ask any questions.

In order to join the webinar you will need access to a computer, internet and preferably headphones so you can hear the speaker. You will not need a mic. You will also need to ensure your web browser is Adobe Flash compatible and you accept options to download and enable Adobe Flash.
